

Powder House Cooperative is NH's 90 Housing Cooperative

On November 13, members of Powder House Cooperative in Exeter closed on the sale of their community. The new co-op has 48 homes and is situated along Linden Street, right next to Exeter River Cooperative.

Members negotiated the purchase with the owner for eight months, finally matching the \$2,160,000 offer from another buyer.

Chris Clasby of the Community Loan Fund worked with Powder House Cooperative Board Members: Carol DuFour, Secretary; Tara O'Donnal, Treasurer; Bonnie Rose, President; and Scott LaPointe, the co-op's attorney.
